

BENEFITS OF COVERAGE

VEHICLE PROTECTION

Century Service pays for the costs of parts and labor during the repair or replacement of major component parts when in conjunction with the repair of a covered item.

NATIONAL ACCEPTANCE

Century Service Agreements are accepted by repair facilities nationwide. In the event that a network repair facility is not available, transient claims are paid by a Century Automotive Credit Card.

RENTAL REIMBURSEMENT

If you are in need of a rental vehicle during a mechanical failure, due to covered repair work, Century Service will allow rental coverage with no deductible.

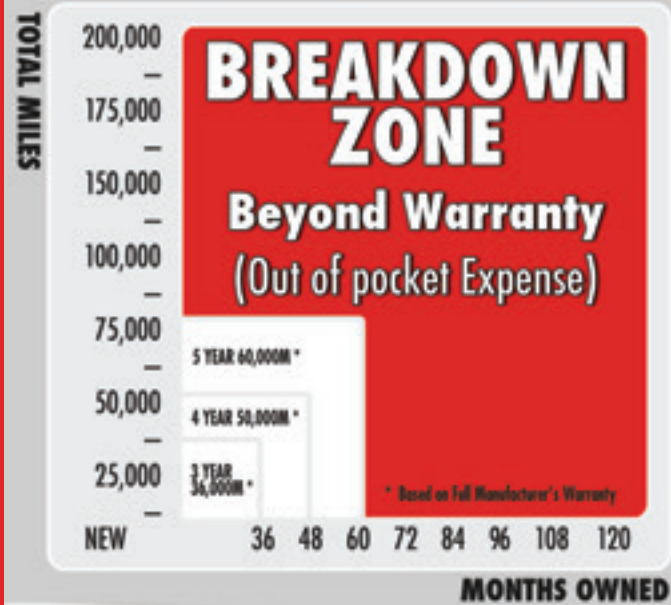

TOWING COVERAGE

The Century Service plan provides for towing reimbursement when in conjunction with the repair of a covered item.

INCREASED RESALE VALUE

If you sell your vehicle, the remaining Century Service coverage can be transferred to the new owner, allowing you the possibility of a higher resale price.
